The PTIA ID badge does not provide access to any controlled area (Secured/AOA/Sterile Areas). This ID badge is issued to provide identification "only" for employees that work in the public areas which require NO access or identification controls. I understand my requirement to immediately report the loss of this ID badge to Airport Authority at (665-5642) or in person to the ID badging office. I also understand that this badge will be returned to Airport Authority upon the termination of my employment.

Signature: _____ Date: _____
